

Utilities Booth Layout

Attach to your order in Boomer.

Log on, click My Orders to bring up your order, then click Attachments to upload the diagram.

Event Name: _____ Event Dates: _____

Exhibitor Name: _____ Booth Number: _____

On-Site Contact: _____ Phone No.: _____

Mark the diagram with your booth dimensions and orientation (i.e., list the aisles and adjacent booth numbers), and indicate placement of utilities and technology services.

Note: The electrical box on the left side of all columns must remain accessible.

Equipment utilizing nominal 208 voltages must have appropriate male plug. Provide NEMA number for plug.

NEMA Plug No: _____

BACK OF BOOTH

FRONT

Booth on Left

Booth on Right

Note: Island, Peninsula and In-line booths requiring power to be installed *other* than the back of the booth will be charged time and materials. Please include a scaled floor plan showing the requested location of electrical source. Labor and materials will be charged to the credit card on file.
